

Self install Computers, NO Windows installed - 27/06/2010

Please note: All Boxes listed are self install, they have an operating system disk and COA Key attached, drivers can be downloaded and installed from the manufacturers site.

Our Service department can set up the computer box for an extra \$99.00 for the XP software install and also install and set up the drivers/ programs. The total process will take approximately 2.0 hours.

Installation does not include backing up data from your old drive or fitting extra hardware to the sold computer box.

Offer applies to computer boxes sold by us, at time of sale,
